

Sponsorship for "KASUMALA"

Kasumala consists of 108 gold coins. One side of each coin is engraved with the image of Mahalakshmi and on the other side with sponsor's initials. This mala will be used to decorate each of the deities on special occasions. This presents a great opportunity for each sponsor to be a part in the decoration of God and also secure His blessings. Several devotees have already sponsored and got their initials engraved. Please sponsor the rest of the coins by paying \$501 per coin and support our temple.

Furnish the following details to sponsor each coin:

Name of Sponsor: _____

Initials to be inscribed on coin: _____ (maximum three initials)

Telephone Number: _____

Enclose a check for \$501 along with the above details and drop it in the hundi or mail it to the temple.
